Environmental Design Branch  
CESWF-PER-DI

Subject: Final Technical Project Planning (TPP) Memorandum for the Former Midland Army Airfield, Midland County, Texas

Dear Stakeholder:

Please find enclosed the Final TPP Memorandum for the Former Midland Army Airfield, Midland County, Texas. Comments received from the Draft TPP Memorandum have been addressed and are included in the front pocket of the enclosed packet. Your comments are a valuable input to the Site Investigation process and I appreciate your time and effort in sending them. The TPP Memorandum objectives are to capture the questions, issues, and input provided by the stakeholders at the recent TPP session and to provide the framework for constructing an effective Site Inspection work plan.

We are in the process of preparing a Draft Site Specific Work Plan (SS WP) for the Former Midland Army Airfield. This Draft SS WP will also be routed to you for review and comment in the near future. I would like to thank you again for your continued participation in the Corps of Engineers' Site Inspection for the Former Midland Army Airfield. If you have questions or wish to discuss the project, please give me a call at (817) 886-1651 or e-mail me at [Emily.K.Seidel@swf02.usace.army.mil](mailto:Emily.K.Seidel@swf02.usace.army.mil).

Sincerely,

Emily Seidel  
Project Manager
